Welcome to the Lusty Library

Lusty Library Connection Instructions

Once the **green LED** is on, connect to the Wi-Fi. Please connect without internet access.
Network: **`LustyLibrary`** Password: **`lustybooks123`**

For eBooks:

Scan the QR code for eBooks.

Username: book / Password: book

To Request New Books or Audiobooks:

Scan the QR code and fill out the request form. Requested titles will be added before your next visit.

For Audiobooks:

Please download the Audiobookshelf app for your phone **before** connecting to the Wi-Fi. Scan the QR code for Android or iOS.

iOS **Android**

After installing, connect to the Wi-Fi and, inside the app, use **`http://10.10.10.10:13378`** as the server address.

Username: book / Password: book

LED Indicators:

- Green Light = Wi-Fi is ready
- Blue Light = Audiobooks are ready
- Yellow Light = eBooks are ready

To Shut Down the Server:

Press and hold the button for 2 seconds. Once all LEDs are off, unplug from the wall.
